OUR STORY

我們的故事

Andrew Yang

IN 2024, FOUNDER ANDREW YANG BUILT A BRIDGE OF DIALOGUE FOR THE YOUTH OF TAIWAN.

Driven by his passion for architecture, he launched the first Taiwan Youth Architecture and Arts Exhibition. With the belief that “Only by giving the best to Taiwan can the youth truly grow strong,” he established three core teams: Architecture & Arts, Public Speaking, and Social Care.

The Taiwan Youth Exhibition is a stage created for young people—a space free from rigid expectations, where there is no single correct answer. Here, we are encouraged to explore, to question, even to challenge. It is in this spirit that we speak for ourselves—and to our time.

2024 年，創辦人楊可煌為台灣青年搭起一座對話的橋樑。

從對建築的熱愛出發，他籌辦了第一屆「台灣青年建築藝術展」，並秉持「唯有把最好的留給台灣，青年才能真正強大」的信念，逐步建立了建築藝術、演講籌備與社會關懷三大團隊。

「台灣青年展」是一個為青年打造的舞台——在這裡，不需迎合標準答案，也沒有唯一的正確思維。我們鼓勵探索與提問，甚至勇敢地質疑與反叛，因為唯有這樣，青年才能真正對這個時代，發出自己的聲音。

CORE VALUES

台青核心理念

台灣青年展以 GIVER (Governance, Innovation, Valour, Education, Reciprocate) 為核心理念，象徵治理、創新、勇毅、教育與互惠的價值。我們不僅秉持這些精神，更期許自己成為 GIVER (給予者)，因為我們深信：施比受更有福，真正的影響力來自奉獻與回饋社會。

更重要的是，我們希望打造一個能夠連結台灣青年與國際的平台，讓年輕世代透過文化、藝術、建築及各領域的交流，拓展視野，激發創新思維，攜手開創更具全球影響力的未來。

台灣青年展不僅是理念的倡導者，更是行動的實踐者。我們以 GIVER 精神為引領，讓台灣青年站上世界舞台，讓我們的聲音被世界聽見，讓這片土地的年輕力量發光發熱，為未來開創無限可能！

The Taiwan Youth Exhibition is founded upon the core values of GIVER—Governance, Innovation, Valour, Education, and Reciprocate. We not only uphold these values but also aspire to embody the essence of being a GIVER, for we firmly believe that giving is more rewarding than receiving and that true influence stems from dedication and contributing back to society.

More importantly, we seek to establish a platform that connects Taiwanese youth with the global stage, enabling the younger generation to broaden their perspectives, foster innovation, and shape a future of greater global impact through cultural, artistic, architectural, and interdisciplinary exchanges.

The Taiwan Youth Exhibition is not just an advocate of ideals—it is a movement in action. Guided by the GIVER spirit, we empower Taiwanese youth to step onto the world stage, amplify their voices, and showcase the brilliance of this land's young talents, unlocking infinite possibilities for the future!

台灣青年建築藝術展

TAIWAN YOUTH EXHIBITION ARCHITECTURE AND ART

「台灣青年建築藝術團隊」創立於 2024 年初，懷抱對建築與藝術的熱忱，致力於打造一個屬於青年建築人與藝術創作者的交流平台。同年11至12月，團隊於復興藝廊與易雅居隆重舉辦首屆「台灣青年建築藝術展」，以青年視角融合文化底蘊，共繪台灣建築藝術的未來藍圖。

汲取首屆展覽的寶貴經驗，在創辦人暨總召楊可煌的帶領下，團隊重新整合、持續擴展。不僅攜手原班夥伴，更邀請首屆獲獎藝術家與建築新秀共同策展第二屆建築藝術展，續寫屬於台灣青年的建築篇章。

Founded in early 2024, the Taiwan Youth Architecture and Arts Team was born out of a passion for architecture and the arts, with a mission to create a platform for young creators to connect, exchange ideas, and spark innovation. That same year, from November to December, the team successfully hosted the inaugural Taiwan Youth Architecture and Arts Exhibition at the Fuhsing Gallery and Yiyaju, where bold new perspectives met tradition to envision the future of Taiwanese architecture.

Building on the experience of the first exhibition, and under the leadership of founder and General Chair Andrew Yang, the team regrouped with renewed energy. Together with original members and award-winning participants from the first edition, we are now co-organizing the second Taiwan Youth Architecture and Arts Exhibition—continuing to write a new chapter in the story of Taiwan's architectural youth.

創立初衷

「台灣青年展 社會關懷團隊」創立於 2022 年，最初由一群熱愛藝術與文化的青年發起，透過志願服務參與各類公益行動，致力於推動社會關懷與文化傳承。隨著創始成員因升學逐步交棒，台灣青年展創辦人楊可煌接續這份使命，正式將其納入台灣青年展體系，延續精神、擴大影響，讓更多青年有機會在關懷與創造中發光發熱。

理念與行動

我們相信，藝術與文化不僅是美的展現，更蘊藏著改變社會的力量。因此，團隊透過策展、志願服務與多元交流，為青年打造一個能參與、能實踐、能發聲的公共平台。在這裡，青年不僅能關注社會議題，更能透過藝術回應時代、用行動推動改變。

展望與連結

我們也積極促進國內外文化交流，讓世界看見台灣青年在藝術、建築與公益領域的創新實力與社會思維。「台灣青年展 社會關懷團隊」不只是志工團隊，更是一個結合藝術、文化與社會實踐的行動平台，誠摯邀請更多有志之士一同加入，為台灣的文化傳承與公益未來共同努力！

Our Origin

The Social Care Team of the Taiwan Youth Exhibition was founded in 2022 by a group of passionate young individuals committed to art, culture, and social good. Through volunteer work and cultural initiatives, they sought to promote care, inclusion, and heritage preservation. When the original team members stepped down due to academic pursuits, founder Andrew Yang took on the mission and officially integrated the team into the Taiwan Youth Exhibition, ensuring the platform would continue to empower youth and amplify its impact.

Our Vision and Actions

We believe that art and culture are more than aesthetic expressions—they are powerful forces for social change. Through curatorial projects, community service, and interdisciplinary collaboration, we provide youth with the opportunity to create, to engage, and to act. Here, young people respond to social issues with creativity, using art and action to shape a better future.

Our Outlook

We also actively promote international and domestic cultural exchange, showcasing the innovation and depth of Taiwan's youth in the realms of art, architecture, and public service. The Social Care Team is more than a volunteer group—it is a platform for cultural action, social engagement, and shared purpose. We warmly welcome like-minded individuals to join us in shaping Taiwan's future through creativity, care, and collaboration.

臺青藝童看見台灣

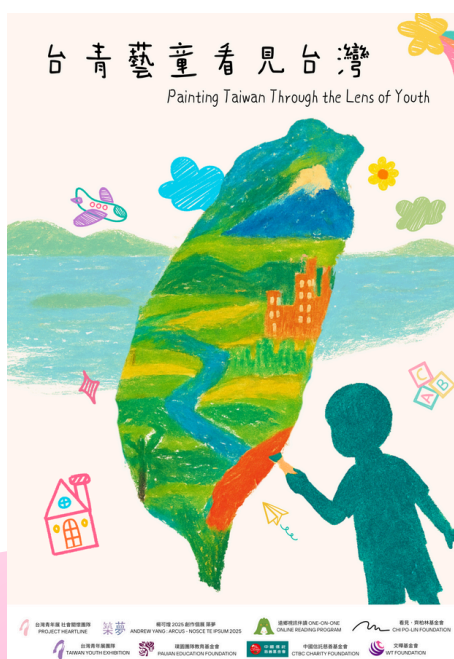

2025 INITIATIVE: PAINTING TAIWAN THROUGH THE LENS OF YOUTH

台灣的風景，不僅來自得天獨厚的地理環境，更是世代共同守護與耕耘的成果。「臺青藝童看見台灣」由台灣青年展創辦人楊可煌發起，親自繪製畫作底稿，並邀請超過四十所遠鄉學堂與社區、近千名學童參與上色，最終齊心完成本次作品。這不僅是一場藝術體驗，更是一段文化的對話，讓孩子們透過創作重新認識家鄉，並與這片土地建立深刻連結。

作品靈感取自齊柏林導演紀錄片《看見台灣》中的經典影像，期盼以藝術之名推動環境教育，亦將教育資源帶入偏鄉。我們相信，藝術可以成為連結過去與未來的橋梁，讓更多孩子重新看見家鄉的價值與美好。這份愛，從我們開始。也願它能透過孩子的筆觸與色彩，延續、擴散，傳遞至更多需要被看見的角落。

Taiwan's landscapes are shaped not only by nature, but by generations of care. This project was launched by Andrew Yang, founder of the Taiwan Youth Exhibition. He created the base sketches and invited over 40 rural schools and communities, nearly 1,000 children, to help complete the artwork with color. This project became more than an art activity; it helped children reconnect with their homeland through creation.

The scenes are inspired by Chi Po-lin's documentary Beyond Beauty: Taiwan from Above. The project promotes environmental awareness and brings artistic opportunities to rural areas. Art becomes a bridge—linking past and future, childhood and culture. This love begins with us. Through the children's vibrant colors, we hope to pass it on—letting art bring light to places and stories across Taiwan.

臺青光行者計畫

2025 TAIWAN YOUTH LIGHTBEARERS INITIATIVE

「臺青光行者計畫」由台灣青年展發起，攜手箏情·琴韻飛揚藝術志工團與中華國樂推廣協會，集結跨校、跨社團的青年志工，共同捐出新台幣 60 萬元，支持由國際合作發展基金會 (Taiwan ICDF) 推動的國際公共衛生與人道援助計畫，援助非洲與太平洋友邦在醫療與基礎建設上的長期發展。

計畫名稱中的「光行者」，象徵青年成為點燈的人，用實際行動照亮他人、也照見自己。我們相信：公益不只是善意，更需要責任；援助不是施捨，而是平等的連結。在籌備過程中，青年透過展演、講座、策展、倡議與志工服務，凝聚微光，走向國際，為台灣點燃一份溫柔而堅定的光。「臺青光行者計畫」不只是一筆捐款，更是一場從文化與關懷出發的青年外交實踐，象徵我們世代對於國際責任的承擔，以及讓台灣的溫度照進世界每個角落的決心。

The Taiwan Youth Lightbearers Initiative is a youth-led international aid effort launched by the Taiwan Youth Exhibition, in partnership with the ZhengQin Art Volunteer Ensemble and the Chinese Traditional Music Promotion Association.

Together, we donated NT\$600,000 to the Taiwan International Cooperation and Development Fund (Taiwan ICDF) to support public health and humanitarian aid programs in Africa and the Pacific. "Lightbearers" symbolizes young people becoming messengers of light—offering support, while also growing through service. Through concerts, exhibitions, talks, and volunteer action, students from across Taiwan turned compassion into real-world impact. We believe that aid is not charity, but a connection between equals, and that youth can be powerful contributors to global well-being.

- 10 扶弱濟貧 SDG #10

當全球局勢動盪不安的背後，戰爭與和平的話題愈引人深思。無論是烏克蘭的持續戰爭，還是全球各地的局部衝突，這些問題都凸顯了和平的脆弱性與珍貴性。在這樣的時代，「畫千戈為玉帛」的主題尤顯其重要性。我們的活動正是希望在此困難時刻，透過藝術與慈善的力量，鼓勵大家重拾對和平的信心，並以實際行動來減輕戰爭帶來的苦痛。

身為台灣的年輕世代，我們深深感受到地緣政治對於我們生活的影響。近年來，台灣周遭的緊張局勢不斷升高，全球目光聚焦於台海問題，這些事件讓我們對和平的嚮往更為深刻。本次活動將戰爭的影響具象化為一系列藝術作品，並透過慈善拍賣的形式，將善款用於幫助那些因戰爭與貧困而受苦的群體，展現「化千戈為玉帛」的美好願景。

愛狗 I G o !

2023 INITIATIVE: LOVE DOG, I GO!

本專案為原「藝享天開志工團」的第一項行動。起初，團隊中的兩位成員因擔任志工而接觸到「毛小孩幸福聯盟」，幾次服務經驗讓他們深入了解浪浪的生活處境，也激起了「希望做得更多」的想法——不僅是協助餵食、梳毛，更希望透過創意讓更多人看見毛小孩快樂的模樣。

因此，我們決定結合藝術與公益，將這份感動轉化為團隊的第一個正式企劃。

本次專案中，我們與「毛小孩幸福聯盟」攜手合作進行公益募款，邀請多位青年藝術家，以畫筆記錄他們眼中的毛小孩。這些畫作及延伸設計出的周邊商品，將作為義賣項目販售。最終，我們將義賣所募得15萬新台幣之90%的毛利，捐贈給「毛小孩幸福聯盟」作為機構支持資金，其餘10%則規劃為下一個公益專案的種子基金，延續善意，讓行動不斷生根。

This project marks the very first initiative of the original Whimsical Hearteners Volunteer Group. It began when two team members volunteered at the Little Fur Foundation and were deeply moved by their encounters with rescue dogs. As they spent time grooming, feeding, and caring for them, they realized that beyond these daily tasks, they wanted to do more—to help others see the joy in these animals' eyes. With that spark, the idea to combine art and advocacy was born, becoming the group's inaugural project.

In collaboration with the Little Fur Foundation, we launched a fundraising campaign. A group of young artists was invited to portray the rescue animals through their own eyes. These artworks, along with a collection of original merchandise, became the core of our charity sale.

From the total revenue of NT\$150,000, 90% of the profit was donated directly to the Little Fur Foundation, while the remaining 10% was set aside as seed funding for our next public service project—ensuring that the cycle of care continues to grow.

MISSION

核 心 使 命

發聲的平台

我們相信，在這個資訊紛雜的時代，青年依然可以是有力量的說話者。每一次站上舞台，都是一次勇敢的發聲，也是為理想點燃火光的起點。台灣青年展致力於打造一個屬於青年的發聲平台，讓更多觀點、更多故事被世界聽見。

思辨的火光

我們也相信，對話比答案更重要。在這個團隊裡，沒有人被要求有標準解答，真正可貴的是觀點的碰撞、思維的激盪。這些思辨的火光，讓我們在多元的世界中找到彼此，也照亮了更寬廣的思想可能。

連結的橋梁

演講不只是傳遞，更是一場場共鳴的發生。我們期盼，青年所說的不只停留在舞台，而是能落地於人心，在無聲處推動改變。透過一次次真誠的連結，我們搭起一座橋，讓行動從聆聽開始，讓改變由理解延續。

A Platform to Speak

We believe that in today's noisy and fast-paced world, young people can still be powerful voices. Every time they take the stage, it's not just a speech—it's the beginning of standing up for what they believe in. The Taiwan Youth Exhibition is a platform for youth to be heard, where diverse stories and ideas are amplified.

The Spark of Critical Thought

We believe that dialogue matters more than having the "right" answers. In our team, value lies in the clash of ideas and the stimulation of thought. These sparks of reflection connect us across differences and light the way toward broader, deeper understanding.

A Bridge of Connection

A speech is more than communication—it's shared resonance. We hope that the voices of our youth go beyond the stage and take root in people's hearts, quietly inspiring change. Through sincere connections, we build bridges where listening leads to action, and understanding leads to transformation.

We Don' t Echo, We Voice.

The Taiwan Youth Exhibition Team is a cross-disciplinary collective of young creative leaders, artists, architects, and cultural advocates. Through exhibitions, programs, and educational initiatives, we aim to ignite passion for art, design, and culture among Taiwan's youth.

Guided by the principles of GIVER, we strive to provide an inclusive and inspiring platform for young talents across Taiwan.
